## Tuition Information

### 2025-2026

January 15th, 2025

St Louis School Families,

I hope this message finds you and your family in good health and high spirits. As we prepare for the upcoming school year, we would like to take a moment to inform you about the tuition and fees for the 2025-2026 academic year at St Louis School. We recognize that tuition is an important aspect of your family's educational planning, and we are committed to keeping you well-informed as we strive to provide an outstanding Catholic education. While tuition helps cover basic educational expenses, it does not fully account for the total cost of providing a high-quality, faith-based education. For the 2023-2024 school year the cost to educate a student at a St. Louis School was \$8,565 which exceeds the tuition and school fees charged to families. Over the past several years, we have worked diligently to keep tuition increases as modest as possible, but like many schools, we face rising costs. We highly encourage every family to apply for all available scholarships.
